

NCAA 39th ANNUAL CONFERENCE
“Aviation....The Next Generation”
Omni Grove Park Inn & Spa
Asheville, North Carolina

The North Carolina Airports Association would like to invite you to attend the 39th Annual Conference in Asheville, NC. “Aviation: The Next Generation” is a timely theme for this conference. 2018 is a time of opportunity to understand differences among generations of airport professionals. It is a time when we must find new revenue streams, understand positive changes happening with our state funding process, and prepare for threats that are emerging as those most likely to occur in our world today. There is a new generation upon us, and this conference will highlight ways to identify and positively approach the new generation of aviation in North Carolina airports.
