Introduction: John Coon, NCAA Vice-President & Conference Chair  
Speaker: Christian “Boo” Boucousis, CEO, Afterburner, Inc.

10:30am - 11:15am Coffee Break w/Exhibitors

11:15am - 12:15pm “Current Trends in Human Resources for the Aviation Industry”  
Description: This session will focus on the Human Resource elements of attracting, training, and replacing aviation industry personnel. Topics such as retention/attrition rates, recruitment marketing strategy, and training expenses will be discussed.

12:30pm - 1:30pm Luncheon  
Industry Update  
NCAA and Educational Foundation Annual Business Meeting  
Eddie Madden, Columbus County Manager, President NCAA

1:45pm - 2:30pm General Session V – PDH Credit  
“Supply Chain and Demand Challenges in Aviation Construction”  
Description: This session will cover the current challenges that airports are facing with Supply and Demand for materials needed on construction projects. There will be a productive conversation regarding impacts of pro-longed time frames, financial burdens, and long-term effects that the supply chain shortage may cause over the next few years. This session will face the challenges and produce alternatives and proactive ways to move forward in the future.

2:30pm - 3:15pm Coffee Break w/Exhibitors

**Thursday, April 4, 2024, Continued:**

3:15pm - 4:15pm

**General Session III – PDH Credit**

**“Alternative Construction: CMAR, Design Build, Design Bid Build”**

**Description:** This session will cover the basic definitions of CMAR, design build and design bid build, with examples and experiences on how to execute successful projects alongside NC Department of Transportation, Division of Aviation. This session will also dive into the challenges of these projects and provide advice to improve timing, executing, and finishing projects in NC stemming from recent or current large capital improvement projects.

4:15pm – 5:15pm

**General Session IV – PDH Credit**

**“Construction Economics in the Aviation Industry”**

**Description:** This session will cover how to successfully manage funding from the DOA or private financing including proper allocation, cost estimating, micro-budgets, and cashflow analysis and the impact variances between commercial and GA airports. Information will be practical and actionable regarding how to project plan, reduce risk, and improve deliverables.

6:00pm - 7:00pm

**Reception w/Exhibitors**

7:00pm - 8:30pm

**Banquet**

8:30pm - 9:30pm

**Banquet Entertainment – Kenneth Salaz, Magician/Mentalist**

**Friday, April 5, 2024**

7:30am - 8:55am

**Breakfast w/Exhibitors**

7:30am - 11:45am

**Registration**

9:00am – 9:45am

**General Session II**

**“Addressing Pilot Shortage Impacts”**

**Description:** This session will start by overviewing why there is a Pilot Shortage and immediate ways we can recruit students and young professionals to the career-path. The session will also dive into the economic impacts that the pilot shortage has had on airports/community's and ability to add back existing and new services in a timely manner; as well as service management impacts on airports to support flight schools and training operations.

9:45am - 10:30am

**Coffee Break w/Exhibitors**

10:30am - 11:45pm

**General Session VI – PDH Credit**

**“NC, Division of Aviation Update”**

**Description:** This session will highlight NC Department of Transportation, Division of Aviation's latest economic and development initiatives to support and relieve the challenges that GA and Commercial airports have been facing. NCDOT will discuss current hot topics that have an impact on the airports and their plans to continue supporting the workforce pipeline.

12:00pm - 12:45pm

**Luncheon**

**Friday, April 5, 2024, Continued:**

12:45pm - 2:00pm

**“Fireside Chat with the FAA” – PDH Credit**

**Description:** This session will cover current hot topics such as Reauthorization, Safety Management System (SMS), Aqueous Film-Forming Foam (AFFF), noise policy, Per- and Polyfluoroalkyl Substances (PFAS), Passenger Facility Charge (PFC) adjustments, Transportation Security Administration (TSA) employee screening, and bill funding. The session will also provide time to answer attendee questions, express concerns, or opportunities to the FAA.

2:00

**Conference Adjourns**
